Properties

- **The intelligent 'easy-lock' system of the SOLID LINE folding boxes allows for easy unlocking of the walls.**
- **After unlocking, both short sides are folded inward first, followed by folding the long sides.**
- **With a folding height of only 100 mm (95 mm when stacked), the SOLID LINE folding boxes are highly space-efficient when empty.**
- **SOLID LINE folding boxes feature comfortable open handles on the short sides.**
- **SOLID LINE folding boxes are stackable, both when folded and unfolded.**
- **The folding boxes can be easily equipped with two hinged, interlocking lid halves. These can also be retrofitted (see "Accessories").**
- **SOLID LINE folding boxes are stackable with the lid, both when folded and unfolded.**
- **The lid of the SOLID LINE can be sealed.**

Description

Plastic folding box / collapsible crate in Euro standard size (400 x 300 x H 320 mm - 31 liters) from the SOLID LINE. Equipped with a closed bottom, closed side walls, and 2 open handles. Unlocking of the walls occurs on both short sides through the intelligent and comfortable 'easy-lock' locking system at the handles. This allows for easy folding of the boxes with a single finger movement. Folding height of 100 mm and when stacked, only 95 mm. The SOLID LINE folding boxes can be equipped with two hinged, interlocking lid halves. These are available as accessories and can be easily installed afterwards. Stacking of SOLID LINE boxes is possible when unfolded, folded, or with the attached lid.
