The basket (50.IR.5) is provided with a separate stainless steel insert rack

Description

This dishwashing basket, with its convenient dimensions of 500 by 500 by 200 millimeters, is an indispensable addition to any professional kitchen. What truly sets this basket apart is its removable stainless steel insert rack, specially designed to securely hold up to 5 meal cassettes, with a maximum depth of 50 millimeters. This rack not only provides sturdy support for the cassettes but also enables quick and efficient organization during loading and unloading.

A convenient feature of this basket is its lowered side, allowing dishes and cassettes to protrude on this side. This design not only maximizes the basket's capacity but also facilitates easy access to the loaded items. Whether it's plates, bowls, or other kitchen accessories, this dishwashing basket makes organizing and washing kitchenware an effortless task.

Furthermore, this basket is perfectly suited for use in basket transport machines with transport hooks. Thanks to its durable construction and compatibility with transport mechanisms, this basket is a reliable partner for smooth operation in busy kitchens. With its combination of functionality, durability, and ease of use, this dishwashing basket is a valuable addition to any professional kitchen environment.
