Properties

With sticker "hazard class 8" and text "UN 2794" on both long sides

With convex, projecting walls for extra internal volume

With a 1" outlet provision on one short and one long side

With a 2" outlet provision on one short and one long side

Description

Gray plastic pallet box with hazard label. Suitable for collecting batteries. The battery box has dimensions of 1200 x 1000 x H 790 mm and a capacity of 670 liters. The gray plastic pallet box on three runners has closed side walls and a reinforced bottom. The pallet box is made of 100% new impact-resistant material. The pallet box has convex, outward-facing wall panels for optimal bin volume. This results in up to 10% volume gain compared to conventional pallet boxes. Standardly equipped with hazard class 8 + UN 2794 label on 2 long sides - Approved for transportation of used batteries according to ADR 4.1.4.1 P801a.
