With convex, projecting walls for extra internal volume

With a 1" outlet provision on one short and one long side

With a 2" outlet provision on one short and one long side

Description

BIG BOX plastic pallet box with lid (1200 x 1000 x H 790 mm - 670 liters) in grey color. Food-grade plastic pallet box on three runners with closed side walls, reinforced bottom, and a hinged lid on one long side. The pallet box is equipped with 1" and 2" outlet provisions on both one short and one long side. The BIG BOX pallet box has convex, outward-facing wall panels for optimal volume of the container. This results in up to 10% volume gained compared to conventional pallet boxes. The hinged loading flap lowers the lifting threshold, making loading and unloading of the pallet box easier.
