The lid is removable in horizontally open position

The lid of the pallet box with hinged lid is provided with protection against swinging back

With a 2" outlet provision on one short and one long side

The fold-back protection is hooked on to the lid in a simple manner

The lid is provided with a handle

Description

BIG BOX plastic pallet box (1200 x 1000 x H 800 mm - 670 liters). Liquid-tight pallet box on four legs and with hinged lid. With closed side walls and a reinforced bottom. The lid is equipped with a flip-over protection. The pallet box is equipped with a 1" and 2" outlet provision on both one short and one long side. The BIG BOX pallet box has convex, outward-facing wall panels for optimal volume of the container. This results in up to 10% volume gain compared to conventional pallet boxes. The pallet box is suitable for foodstuffs, but is also commonly used as a salt spreader.
