Capacity	535 liter
Sidewalls	Closed
Material	HDPE
Article number	4403.300.623
Weight (kg)	38 kg
Color	Blue
Bottom	Closed, reinforced
Colorcode	RAL 5002
Max. load capacity per box	500 kg
Max. static stacking load	4500 kg
Max. dynamic stacking load	1000 kg

Properties

With a 1" outlet provision on one short and one long side

With a 2" outlet provision on one short and one long side

Description

Blue pallet box type BIG BOX in the dimensions 1200 x 800 mm. Plastic pallet boxes of the BIG BOX type are the most stable and hygienic pallet boxes on the market. Made from high-quality food-safe plastic and suitable for storing and transporting large volumes. This very strong blue pallet box has a large volume thanks to the convex, outward-facing wall panels. As a result, the BIG BOX pallet box has up to 10% more volume than conventional plastic pallet boxes. Due to its impact-resistant construction and unique convex wall panels, the pallet box is particularly stable. All BIG BOX pallet boxes are equipped with 1" and 2" outlets, one of each on a long side and one on a short side.

If you order a ball valve with it, it will be delivered separately to prevent damage during transport.
