Properties

With galvanised hanger

Description

Versatile White Plastic Bucket: Perfect for Various Applications

Looking for a versatile and reliable solution for your storage and transportation needs? Meet our white plastic bucket, crafted from high-quality new material. With a diameter of 315 millimeters and a height of 255 millimeters, this bucket offers a generous capacity of 12 liters, making it ideal for a wide range of applications, from household use to professional purposes.

Durable Design for Long-lasting Performance

This white bucket is designed with durability as a priority. The bottom rim is specially designed to prevent abrasion, ensuring the bucket withstands wear and tear, even with frequent use. Additionally, the bucket is equipped with a sturdy galvanized handle, making carrying and moving effortless, even when the bucket is fully loaded.
