Load capacity (kg)	10 kg

Properties

- Lid provided with two snap-slide locks
- With one case handle on the front
- Lidded bins have a removable, hinged lid
- All lidded bins with case handle are stackable with lid

Description

Grey plastic case with grey insert bins. The case has the Euro norm format of 400 x 300 mm and a height of 133 mm. The case is composed of a stacking container, hinged lid with two snap-slide fasteners and foam insert in the lid, a suitcase handle at the front, and grey insert bins with a layout of your choice. The foam insert in the lid ensures that the insert bins are securely sealed during transport with a closed lid. As a result, the contents cannot end up in another insert bin. This makes the case highly suitable for safe storage and transportation of components and small items. The plastic case can also be stacked with a lid along with all other Euro norm cases and stacking containers.
