CB1 plastic palletbox - 1200 x 800 mm - 4 wheels - grey

Product specifications

Uitwendig (LxBxH)	1200 x 800 x 895 mm
Inwendig (LxBxH)	1090 x 690 x 595 mm
Capacity	475 liter
Sidewalls	Closed, reinforced
Material	HDPE
Article number	83381810.ZW
Weight (kg)	42,9 kg
Temperature range	-30°C to +40°C
Color	Grey
Bottom	Closed, reinforced
Max. load capacity per box	600 kg
Max. static stacking load	600 kg
Max. dynamic stacking load	600 kg

Properties

Mobile plastic pallet box (CB1 type)

Dimensions: 1200 x 800 x H 895 mm

Capacity: 475 liters

Suitable for use in the food industry

Four galvanized swivel wheels for easy mobility

Closed side walls for secure storage

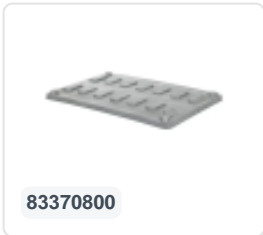

Reinforced bottom for extra strength

Description

Mobile grey pallet box of type CB1 on four wheels. Dimensions 1200 x 800 mm. The grey CB1 pallet box has smooth, flat inner walls and stands on four galvanized swivel wheels. The swivel wheels have a diameter of 125 mm and are equipped with a non-marking rubber tread. They are therefore shock-resistant, have good sound insulation, and leave no marks on the floor. The grey pallet box has closed side walls and a reinforced bottom. The lower wall panels of the CB1 box are extra reinforced to prevent collision damage from forklifts. The mobile CB1 pallet box is made of high-quality foamed HDPE plastic, making it exceptionally strong and impact-resistant. The grey CB1 pallet box is manufactured in one piece and has three co-molded pallet skids. Thanks to these skids, the mobile CB1 can be easily tilted with a (forklift) turntable. The flat, smooth inner walls make the mobile CB1 pallet box a multifunctional pallet box for the industry. The mobile version increases efficiency and ensures a flexible workplace layout.
