# CB1 plastic palletbox - 1200 x 800 mm - 4 wheels - light blue

## Product specifications

Uitwendig (LxBxH)	1200 x 800 x 895 mm
Inwendig (LxBxH)	1090 x 690 x 595 mm
Capacity	475 liter liter
Sidewalls	Closed, reinforced
Material	HDPE
Article number	83381300.ZW
Weight (kg)	42,9 kg
Temperature range	-30°C to +40°C
Color	Blue
Bottom	Closed, reinforced
Max. load capacity per box	600 kg kg
Max. static stacking load	600 kg kg
Max. dynamic stacking load	600 kg kg

## Properties

Mobile plastic pallet box (CB1 type)

Dimensions: 1200 x 800 x H 895 mm

Capacity: 475 liters

Suitable for use in the food industry

Four galvanized swivel wheels for easy mobility

Closed side walls for secure storage

Reinforced bottom for extra strength

## Description

Mobile light blue pallet box of type CB1 on four wheels. Dimensions 1200 x 800 mm. The light blue CB1 pallet box has smooth, flat inner walls and stands on four galvanized swivel wheels. The swivel wheels have a diameter of 125 mm and are equipped with non-marking rubber treads. As a result, they are shock-resistant, provide good sound insulation, and do not leave marks on the floor. The light blue pallet box has closed side walls and a reinforced bottom. The lower wall panels of the CB1 box are additionally reinforced to prevent collision damage from forklifts. The mobile CB1 pallet box is made of high-quality foamed HDPE plastic, making it particularly strong and impact-resistant. The light blue CB1 pallet box is manufactured in one piece and has three integral pallet runners. Thanks to these runners, the mobile CB1 can be easily tilted with a (forklift) turntable. The flat, smooth inner walls make the mobile CB1 pallet box a multifunctional pallet box suitable for various industrial applications. The mobile version increases efficiency and provides for a flexible workplace layout.
