Equipped with a removable side wall with dimension 810xH850mm

Suitable for food

Mounted on three runners

Perfect addition to an existing pool of Dolavs

Durable and strong material

Hygienically smooth interior walls

Description

Grey plastic pallet box with removable side wall of CB3 High series, on 3 runners. Dimensions 1200 x 1000 x H 1140 mm and 1000 liters capacity. This food-safe plastic pallet box on 3 runners in grey is the perfect addition to an existing pool of Dolavs. The CB3 High pallet boxes stack perfectly with similar boxes, making them seamlessly integrate into an existing pool of such pallet boxes. The bottom wall panels of the CB3 High are reinforced to prevent impact damage from forklifts. The CB3 High pallet box is made of high-quality foamed HDPE plastic, making it exceptionally strong. The pallet box has extra thick walls and weighs only 49 kg. Additionally, the impact resistance of this pallet box is very high. The CB3 High pallet box is manufactured in one piece, minimizing breakage at sensitive points. This CB3 High pallet box features a custom-made removable side wall. The pallet box with removable wall is equipped with 4 turnbuckles, allowing the wall to be securely fastened and allows stable stacking. The opening, created when the wall is removed, is 810mm wide by 850mm high. The CB3 High with removable wall is the perfect solution in your warehouse for storage of heavy or large products.
