## Description

Introducing our plastic baby changing table, designed specifically for wet environments. Measuring 950 x 600 x H 850/950 mm, this versatile piece of furniture is both convenient and practical. Its compact size makes it easy to move around, allowing you to adapt your space as needed.

Crafted from corrosion-resistant materials, you can trust that this changing table will withstand the challenges of everyday use. The included frame is tailored to fit a changing pad measuring 790 x 500 mm, providing a comfortable and secure surface for diaper changes.

Safety is our priority, which is why our baby changing table is TNO approved and NEN-EN12221 certified. You can rest assured that it meets the highest standards for quality and reliability, providing you with peace of mind as you care for your little one.
