

Cover sleeve with zips - custom-made

Product specifications

Color	Black
Material	Polyester

Properties

Exclusive color variant for the event sector.

The cover can optionally be equipped with a transparent document holder. This keeps important documents always within reach. The document holder is made of flexible PVC with a Velcro closure at the top.

The cover is standardly equipped with two robust zippers at the front; this side can then be folded up entirely, making the contents easily accessible.

The zippers are made of plastic with a metal slider.

Zippers can be placed on both the short side and the long side, but optionally also around the entire cover.

The covers are available in eleven different colors: black, white, yellow, orange, red, burgundy, blue, green, dark blue, gray, anthracite.

Description

Custom-made cover with zippers. Part of the BLACK LINE series; an exclusive variant with the desired look for the event sector. Polyester cover with 2 plastic zippers up to the top, so one side can be fully opened. The cover is made exactly to fit your product. Optionally, the cover can be equipped with a transparent plastic document holder. This keeps important documents always within reach.
