

Cover with zippers - custom-made - multiple colors possible

Product specifications

Material	Polyester
Article number	99.ABH.600-D

Properties

The cover can optionally be equipped with a transparent document holder, providing easy access to important documents. The document holder is made of flexible PVC with a Velcro closure at the top.

The cover is standardly equipped with two sturdy zippers at the front; this side can then be folded up entirely to provide easy access to the contents.

The zippers are standardly made of plastic with a metal runner.

Zippers can be placed on both the short side and the long side, but optionally also all around.

The covers are available in eleven different colors: black, white, yellow, orange, red, burgundy, blue, green, dark blue, gray, anthracite.

Description

Transoplast offers custom-made polyester covers manufactured from durable Polyester 600D. These high-quality covers can be fully customized, ensuring a perfect fit for various applications.

With a wide range of color options, including black, white, yellow, orange, red, burgundy, blue, green, navy blue, grey, anthracite, and possibly other colors upon request, our covers not only provide excellent protection but also aesthetic versatility.

The durability of the material ensures long-lasting protection and functionality, keeping your equipment or objects well-protected regardless of the conditions.
