# Divider for stacking bins - 1100 x 190 mm

## Product specifications Properties

Uitwendig (LxBxH)	1100 x 6 x 190 mm
Material	PP
Article number	8670.000.522
Weight (kg)	0,51 kg
Color	Grey

**Dimensions: 1100x190 mm**

**Material: PP (Polypropylene)**

**Weight: 0.51 kg**

**Suitable for Euro stacking bins**

**Easy to place and remove**

**Suitable for automated systems**

## Description

The divider with dimensions 1100x190 mm is specifically designed for use in Euro stacking bins, enabling efficient separation of goods into different sections. This divider helps maintain organized and secure storage, ensuring goods are protected during transport and storage. It is made of high-quality PP (Polypropylene), known for its strength and durability. The divider is suitable for various industries and can be easily placed and removed, making it ideal for automated systems and logistics applications where flexibility and efficiency are essential.
