Description

The Euroclick stacking bin with dimensions 400x300x235 mm is an efficient and versatile solution for storage and transport in various industries. Made from high-quality PP (Polypropylene), this stacking bin is lightweight yet has a strong construction. The straight wall design maximizes the internal volume to 20 liters, while the smooth walls ensure easy cleaning, ideal for environments where hygiene is crucial. Ergonomic handgrips on all sides provide comfortable and safe lifting. The double base rim minimizes deflection and allows smooth movement on conveyor rollers. Optional accessories like the Clickbooster and Clickholder provide additional flexibility and convenience.
