# Euronorm stacking bin - 600 x 400 x H 210 mm (reinforced base)

## Product specifications Properties

Uitwendig (LxBxH) 600 x 400 x 210 mm

Completely closed Euro standard stacking container with reinforced bottom.

Capacity 39 liter

Handles Open

Sidewalls Closed

Material HDPE

Article number 3620.750

Weight (kg) 2,21 kg

Temperature range -30°C to +80°C

Color Grey

Bottom Closed, reinforced

## Description

The Heavy-Duty Plastic Stackable Euro Container provides a reliable solution for various demanding applications. With dimensions of 600 x 400 x 210 mm and a capacity of 39 liters, this dark gray container is ideal for storing and transporting food items.

The container is designed with closed sidewalls and a reinforced bottom, ensuring optimal protection of the contents, even under heavy conditions. This makes it perfect for situations where extra durability and protection are essential.

With 2 open handles, this stackable container is easy to handle, even when fully loaded. The handles provide a comfortable grip and make it easy to move and stack the container.

Whether in industrial environments, warehouses, or food processing, this stackable container has proven its value in particularly demanding conditions. With its durable construction and high-quality materials, it is an essential tool for efficient storage and logistics.
