

Artikelnummer: 57.8060LB9FR

Export pallet - 800x600mm - 9 legs - nestable

Product specifications

Weight (kg)	2,9 kg
External dimensions (L x W x H)	800 x 600 x 130 mm
Temperature range	-40 °C to +70 °C
Color	Black
Material	Recycled HDPE
Static load capacity	1400 kg
Edge height	5 mm
Dynamic load capacity	600 kg

Properties

Export pallet on 9 feet with rim

Suitable for loading packed foodstuffs

Nestable display pallet of 800 x 600 mm

Made from regenerated plastic

Designed for efficient export logistics

Ideal for safely transporting packed foodstuffs

Suitable for use in displays and presentations

Space-saving design allows nesting for compact storage

Durable material provides long-lasting performance and reuse options

Description

Nestable plastic pallet 800 x 600 mm. Designed with 9 legs. The lightweight version in regenerated material is suitable for goods export, for display applications, as well as for storing packaged food or, for example, tires. In their empty state, the pallets can be efficiently nested, saving space. The pallet is lightweight, impact-resistant, and stable. Exporting on a plastic pallet is more hygienic than on a wooden pallet, as plastic pallets do not absorb moisture, pests, or bacteria. A pallet certificate to IPPC countries is also unnecessary.
