## Properties

Green plastic collapsible crate (600 x 400 x H 233 mm - 44 liters) from the FRESH BOX series. The green collapsible crate features perforated side walls and bottom. And is equipped with 4 open handles. When folded, the height is 50 mm and when stacked, it's only 40 mm. The side walls unlock particularly smoothly thanks to the easy-lock system located under the handles. After unlocking, all four walls can be folded down. Very stable and robust collapsible crate in Euro norm format, suitable for use in logistics systems. The collapsible crate has a carrying capacity of 25 kilograms. The stack load is 200 kilograms. This means that you can stack filled collapsible crates up to a maximum of 8 high.

## Description

Green plastic collapsible crate (600 x 400 x H 233 mm - 44 liters) from the FRESH BOX series. The green collapsible crate features perforated side walls, a closed bottom with drainage holes, and 4 open handles. When collapsed, the crate has a height of 50 mm and when stacked, it measures only 40 mm. The side walls unlock smoothly thanks to the easy-lock system under the handles. After unlocking, all four walls can be folded down. Highly stable and robust crate in Euro standard size, designed for use in logistics systems. The crate has a carrying capacity of 25 kilograms. The stack load is 200 kilograms, allowing a maximum of 8 filled collapsible crates to be stacked on top of each other.
