Capacity	260 liter
Color	Red
Material	HDPE
Bottom	Closed
Sidewalls	Closed
Max. load capacity per box	225 kg
Internal dimensions (L x W x H)	929 x 544 x 519 mm

## Properties

**Dimensions:** 1000 x 600 x H 662 mm

**Capacity:** 260 liters

**Construction:** equipped with closed walls and bottom for secure storage of goods

**Assembly:** mounted on 2 pallet sleds for easy maneuverability and transport

**Suitable for small spaces:** due to its compact size, comparable to half of a standard industrial pallet, the GEO BOX is practical in smaller spaces

**Ideal for small product quantities:** perfect for storing and handling small quantities of products

## Description

Introducing the GEO BOX plastic pallet box/pallet container, designed for optimal storage efficiency and convenience. With dimensions of 1000 x 600 x H 662 mm and a capacity of 260 liters, this container is the perfect solution for various storage needs. Featuring closed walls and a bottom, it ensures secure containment of your goods.

What sets the GEO BOX apart is its clever design. Mounted on two pallet sleds, it allows for easy maneuverability and transportation within your facility. Its compact size, resembling half the dimensions of an industrial pallet, makes it particularly suitable for smaller spaces or handling smaller quantities of products.

Whether you're dealing with limited storage areas or managing smaller product quantities, the GEO BOX offers a practical and space-saving solution. Its sturdy construction and efficient design make it a versatile choice for businesses looking to optimize their storage operations. Invest in the GEO BOX today and experience the convenience of streamlined storage management.
