GEO BOX plastic palletbox - 1000 x 600 mm - closed on 6 feet

Product specifications

Uitwendig (LxBxH)	1000 x 600 x 662 mm
Inwendig (LxBxH)	929 x 544 x 519 mm
Capacity	260 liter
Sidewalls	Closed
Material	HDPE
Article number	12.27270
Weight (kg)	14,3 kg
Color	Red
Bottom	Closed
Max. load capacity per box	225 kg

Properties

Dimensions: 1000 x 600 x H 662 mm

Capacity: 260 liters

Construction: equipped with closed walls and bottom for secure storage of goods

Six legs: provide extra stability and versatility for use on different surfaces

Practical size: comparable to half of a standard industrial pallet, making it ideal for use in smaller spaces or for storing small quantities of products.

Description

The GEO BOX plastic pallet box/pallet container is designed to provide efficient storage for various applications. With dimensions of 1000 x 600 x H 662 mm and a capacity of 260 liters, this container is ideal for safely storing and transporting goods. The closed walls and bottom ensure a secure and stable storage environment.

What sets the GEO BOX apart is its unique design with six legs. This provides extra stability and allows the pallet box to be used on different surfaces. Thanks to its compact size, comparable to half of a standard industrial pallet, the GEO BOX is practical in smaller spaces or for storing smaller quantities of products.

Whether it's storage in warehouses, distribution centers, or production environments, the GEO BOX offers a versatile solution for your storage needs. Invest in the GEO BOX today and experience the benefits of efficient and practical storage.
