Description

Green transport container (810 x 675 x H 775 mm - 210 liters) on four legs, with an orange hinged lid. This versatile Multi-Purpose Container is often used as a salt spreader. The walls and bottom of the high-volume container are completely closed and exceptionally smooth, without external rib structures. Thanks to the use of high-quality HDPE, the containers are highly impact-resistant. Additionally, the containers are frost-resistant up to -30°C. This green transport container with an orange lid is a very robust and durable plastic container.
