## Properties

Provided as standard with outlet opening and screw plug.

Hinged lid with stainless lock mechanism.

Very impact resistant thanks to the use of flexible plastic, even at low temperatures.

The MP container is provided as standard with a plastic lid locking system.

## Description

Green transport container (968 x 776 x H 930 mm - 400 liters) on four legs, with an orange hinged lid. This versatile Multi-Purpose Container is often used as a salt spreader. The walls and the bottom of the high-volume container are completely closed and exceptionally smooth, without external rib structures. Due to the use of high-quality HDPE, the containers are highly impact-resistant. Additionally, the containers are frost-resistant up to -30°C. This green transport container with an orange lid is a very robust and durable plastic container.
