Uitwendig (LxBxH) 25 x 19 mm

Label should be slid in horizontally

Material PP

Ideal for use on sloping side at top of Big Box wall panel

Article number 99.BA-CLI351

Color Translucent

## Description

Self-adhesive plastic label holder (25 x 19 mm) suitable for pallet boxes, stackable bins, transport containers, and more. The label holder is easy to apply using the adhesive strip. Labels are inserted vertically into the holder and removed laterally. Works very effectively. Label holders are available in multiple lengths. Please ask our product specialists for options.
