Description

Plastic pallet wedge - long (1105 x 120 x 60 mm) for use with our H1, H3, and CR1 plastic pallet series. The pallet wedge can be inserted anywhere in the pallet deck and is centered by centering lugs that secure into the open deck parts. For use on pallet series other than the H series and the CR1 series, the cone can be easily adapted. Please ask our product specialists for the possibilities.
