Description

Plastic pallet box type MaxiLog on three runners in grey, with dimensions 1200 x 1000 mm. The grey pallet box is completely closed, smoothly finished, and equipped with flat inner walls. This makes the pallet box easy to empty and clean. The pallet box has a capacity of 610 liters.

With a weight of only 36.6 kg, the MaxiLog is almost 20% lighter than our heavy-duty BIG BOX pallet containers. The grey MaxiLog is therefore easy to handle and also competitively priced. The MaxiLog is equipped with a 1" and 2" drainage outlet on both one short and one long side.
