Properties

The roll container is equipped with 2 fixed and 2 swivel castors in a galvanized design and plastic wheels Ø 125 mm with PU treads.

The side walls are inserted into the base plate and then secured with a clamp. Subsequently, the clamps are fastened with a screw.

For other wheel configurations (braked - solid nylon - different wheel diameter) consult our product specialists.

Description

Grey roll container measuring 682 x 815 x 1678 mm. Equipped with two blue-galvanized steel side walls and a grey food-grade plastic base. The two nylon tension belts are included. The roll container is equipped with 2 fixed and 2 swivel castors in a galvanized design with plastic wheels Ø 125 mm with PU treads. The side walls are inserted into the grey base plate and secured with a clamp. Two Euro standard crates of 600 x 400 mm or four Euro standard crates of 400 x 300 mm can fit side by side on one roll container.
