SB3 plastic palletbox - 1200 x 1000 mm - 3 runners - red

Product specifications

Weight (kg)	42,5 kg
External dimensions (L x W x H)	1200 x 1000 x 790 mm
Temperature range	-30°C to +40°C
Capacity	610 liter
Color	Red
Material	HDPE
Bottom	Closed, reinforced
Sidewalls	Closed, reinforced
Max. load capacity per box	700 kg
Max. static stacking load	5000 kg
Max. dynamic stacking load	1200 kg
Internal dimensions (L x W x H)	1110 x 910 x 620 mm

Properties

Type: SB3 pallet box

Color: red

Dimensions: 1200 x 1000 mm

Interior walls: flat and smooth for easy cleaning

Stackability: perfectly stackable with similar pallet boxes

Compatibility: can be seamlessly integrated into an existing pool of pallet boxes

Description

Red SB3 pallet box with dimensions of 1200 x 1000 mm, featuring flat, smooth interior walls that are easy to clean. The red SB3 pallet boxes are perfectly stackable with similar pallet boxes, allowing them to seamlessly integrate into an existing pool of pallet boxes. The SB3 is produced in one piece with three molded runners, minimizing breakage at these sensitive points. The red SB3 pallet box is stable, impact-resistant, and ideally suited for intensive use and situations where frequent tilting with a turntable is required. The lower wall panels of the pallet box are reinforced to prevent collision damage from forklifts. Made of 100% new and freeze-resistant material, the red box is highly suitable for applications in the food industry. Two standard provisions for RFID transponders are integrated into the upper rim, enabling tracking and tracing of the box and cargo. The SB3 pallet boxes are equipped with a 1" outlet on one short side and a 2" outlet on one long side.
