Description

This runner set for Maxilog (3) consists of a complete set of 3 runners suitable for the Maxilog® series (4429300 and 4429600). The runners are made of high-quality HDPE (High-Density Polyethylene), a strong and durable material capable of withstanding heavy use.

The set weighs 7 kg and is packed 14 units per pallet with dimensions of 1200 mm x 1000 mm. These runners provide added stability, making the Maxilog container ideal for heavy-duty applications and repeated use.
