Load capacity (kg)	20

Properties

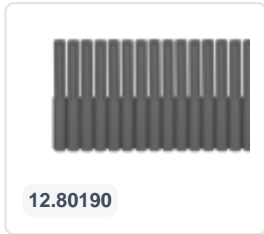

Integrated label holders (on one long and one short side)

Description

Completely closed stacking container in Euro standard size 1000 x 400 mm. The robust stacking container features two closed bowl handles. The stacking container has a capacity of 67 liters and a height including the reinforced bottom of 214 mm. This high-volume container perfectly fits with standardized ISO pallets; precisely three stacking containers can fit alongside each other on an industrial pallet measuring 1200 x 1000 mm.
