Description

Fully enclosed stacking container in Euro norm format, 200 x 150 x H145 mm, with closed handles. Made of food-grade plastic. This stacking container has a practical small size. The plastic stacking container can be stacked stably and is also perfectly combinable with our other Euro norm stacking containers. Due to its small size, this stacking container is ideal for use as a cutlery tray for spoons or forks in the catering and rental industry.
