## **Properties**

Food-grade plastic stacking crate in Euro standard size 400 x 300 mm

Closed walls and a closed, smooth bottom

Suitable for industrial applications, rental companies, and the food sector

Standardized dimensions allow perfect compatibility with other Euro crates, standardized pallets, roll containers, and dollies

### **Description**

Food-grade plastic stacking container in Euro standard size 400 x 300 mm. Featuring closed walls and a closed, smooth bottom. The stacking container is suitable for industrial applications, rental companies, or the food sector. Moreover, due to its standardized dimensions, this container perfectly integrates with other Euro containers, as well as standardized pallets, roll containers, and dollies.
