Description

Stacking container (450 x 295 x H 125 mm - 10 liters) available in natural white or gray. Completely closed design with a smooth bottom. The handles are integrated into the upper rim. This robust container derives its strength from the wall thickness and material composition, eliminating the need for reinforcement ribs on the walls and the bottom. Consequently, this container is exceptionally easy to clean and is frequently used in hygienic applications within the meat, fish, and pharmaceutical sectors.
