Bottom Closed, smooth

Load capacity (kg) 20

The stacking bin is provided with a smooth base

Description

Plastic black stacking crate in Euro standard size 600x400xH200. Fully enclosed stacking crate with a smooth bottom and open handles. Available with a matching lid. An ideal stacking crate for use in the food industry, in warehouses, or simply for general use. Due to its standardized dimensions, the stacking crate can be stacked with all other Euro crates and can also be perfectly combined with standardized pallets, roll containers, and mobile bases.
