## Properties

Stacking bin is provided with an extra strong diamond-pattern base

## Description

This stacking crate in Euro standard size 600 x 400 mm is fully enclosed, including closed handles. The 55-liter volume can be optimally utilized. The bottom is reinforced and features a diamond-pattern construction. The crate is highly load-bearing and suitable for both food and industrial applications. Due to its standardized dimensions, the stacking crate can be perfectly combined with all other Euro crates, as well as with standardized pallets, roll containers, and mobile bases.
