Sidewalls	Closed
Handles	Closed
Load capacity (kg)	25 kg
Max. stacking load (kg)	250 kg
Internal dimensions (L x W x H)	566 x 366 x 305 mm

Properties

Stacking bin is provided with an extra strong diamond-pattern base

Description

Stacking container made of food-grade plastic with Euro norm dimensions of 600 x 400 mm. The bottom, walls, and handles are closed, allowing the contents to be fully utilized. The bottom is reinforced and has a grid construction. This stacking container is particularly suitable for applications with heavy loads. Due to its Euro norm dimensions, the stacking container can be perfectly combined with other Euro norm stacking containers, as well as with standardized pallets, roll containers, and dollies.
