The stacking bin is provided with a smooth base

Description

Fully enclosed Euro standard stacking container measuring 600 x 400 x H 55 mm with a 9-liter capacity. The food-safe grey container is designed without handles. Euro standard stacking container with closed side walls and a closed base. The bottom surface of the base is smooth and hygienic. Widely used in the food industry, particularly by pastry chefs, chocolatiers, and pastry makers. Also excellent as a drip tray for under perforated stacking crates and machines or as a washing machine drip tray for easy cleaning of the lint filter.
