Description

Stacking crate with Euro norm dimensions of 400 x 300 mm. The stacking crate is completely closed, including the handles. Made of food-grade plastic, making it highly suitable for use in the food industry. This stacking crate is commonly used in event catering and rental, serving as a plate crate, among other uses. Plates with a diameter up to 155 mm can be placed vertically in the crate. The stacking crate is easy to handle with integrated handles on both short sides. Thanks to the Euro norm dimensions, this stacking crate can be perfectly combined with all other Euro norm stacking crates, as well as with standardized pallets, roll containers, and mobile bases.
