Properties

Modern stackable container / plate tray from the **SOLID LINE**; designed specifically for event catering and rental, as well as industrial applications.

The stackable container features a smooth bottom.

Suitable for mounting hinged lids.

Description

Black plastic stackable container in Euro norm dimensions of 400 x 300 mm. The black stackable container is fully enclosed and features a smooth bottom. Easy to lift with bowl-shaped handles. Manufactured from food-grade plastic. Highly suitable as a cutlery tray or storage container for various small items. Thanks to its Euro norm size, this container can be stacked with other Euro containers and is also perfectly compatible with standardized pallets, roll cages, or mobile bases.
