Properties

Stackable modern container/cutlery container **SOLID LINE**; suitable for catering services and rental, as well as for industrial applications.

The stackable container has a smooth bottom.

Suitable for mounting a hinged lid.

Description

Blue plastic stacking container in Euro norm dimensions 400 x 300 mm. The blue stacking container is fully enclosed and has a smooth bottom. The container is easy to lift using the bowl handles. Made from food-grade plastic. The stacking container is highly suitable as a cutlery tray or storage container for various small items. Due to the Euro norm dimensions, the blue container can be stacked with other Euro containers and is also perfectly compatible with standardized pallets, roll containers, or mobile bases.
