Description

The blue E2 stacking crate, a versatile and reliable choice for the food industry, offers an efficient solution for safely storing and transporting food items. With dimensions of 600 x 400 x H 200 mm, this crate provides ample space for storing a wide range of products while remaining manageable.

Made from high-quality, 100% new material, these blue E2 crates meet the highest standards for food safety. Both the closed bottom and closed sidewalls ensure optimal protection for stored products, keeping them safe from external contaminants and damage during transportation. This guarantees not only the quality and freshness of the products but also ensures compliance with strict hygiene regulations.
