Color	Grey
Bottom	Closed, reinforced

Properties

Stacking bin with 2 fixed rims and a hinged lid

The interior height offers space for a coffee container

Vulnerable coffee containers are well protected in the stacking bin and can thus be easily transported

Description

Euro standard stacking crate (400 x 400 x H 640 mm) for a percolator. The plastic stacking crate is composed of three parts that are assembled together. Additionally, the stacking crate is equipped with a hinged lid with snap-lock closures. The Euro standard stacking crate is a particularly efficient storage container for delicate equipment. It is successfully used, especially in event catering and rental sectors.
