Properties

With a smooth bottom and closed handles.

Lid containers are stackable even with the lid.

Lid containers feature a detachable hinged lid.

The lid container comes with two snap-slide locks on the lid.

Description

Lid container in Euro format 300 x 200 mm. The container with a hinged lid is equipped with two snap-slide locks. Due to the closed side walls, closed bottom, and snap locks, the lid container can be securely sealed. This makes the lid container highly suitable for dust-free storage of cutlery and small items. Made from food-safe plastic.
