## Description

Stacking bin with lid in Euro norm format 400 x 300 mm. The lid container consists of a stacking container and a hinged lid with two snap-slide locks. In the open position, the hinged lid is detachable. Completely closed container with a smooth bottom and closed handles. Due to the standardized dimensions, the lid container can be stacked with other Euro containers, with or without a lid. The lid container is made of food-grade plastic. The snap locks allow the lid container to be securely closed and easily opened. We supply foam interiors, seals, and label holders as accessories for the lid containers.
