Description

Lid container in Euronorm format 400 x 300 mm. The lid container is composed of a stacking container and a hinged lid with two snap-slide closures. In the open position, the hinged lid is removable. Completely closed container with a smooth bottom and closed handles. Due to standardized sizing, the lid container can be stacked with other Euro containers, with or without a lid. The lid container is made of food-safe plastic. The snap closures ensure a secure closure of the lid container and easy opening. We supply foam interiors, seals, and label holders as accessories for the lid containers.
