Description

Black stacking bin with lid in Euro norm format 400 x 300 mm. Thanks to the Euro norm format, this lidded container can be stacked with other Euro norm stacking containers. In addition, the black stacking container can be stored and transported efficiently without loss of space on standardized pallets, roll containers, and mobile bases. The stacking container is equipped with a lid that hinges on one long side. The other side is fitted with two snap-slide fasteners. The snap-slide fasteners ensure that the lid can be easily opened and securely closed again.
