Properties

- With a smooth bottom.
- The standard version comes with closed handles.
- Lid containers can also be stacked with lids.
- Lid containers feature a detachable hinged lid.
- The lid container comes with two snap-lock closures in the lid.

Description

Stacking container with hinged lid in Euro norm format 600 x 400 mm. The hinged lid is equipped with two snap-lock closures. The container is entirely closed, including the handles. This allows for full utilization of the content. The lid container is made of food-grade plastic. Due to the practical Euro norm dimensions, this lid container fits perfectly with other Euro containers, as well as standardized pallets, roll containers, and mobile bases.
