Stacking bin with lid - 600 x 400 x H 295 mm - black

Product specifications

Weight (kg)	2,8 kg
External dimensions (L x W x H)	600 x 400 x 295 mm
Temperature range	-20°C to +80°C
Capacity	55 liter
Color	Black
Material	PP
Bottom	Closed, extra reinforced
Sidewalls	Closed
Handles	Closed
European Article Number	7424924362373
Load capacity (kg)	25 kg
Max. stacking load (kg)	250 kg
Internal dimensions (L x W x H)	566 x 366 x 272 mm

Properties

Lidded bins are also stackable with lid

Lidded bins have a removable, hinged lid

Stacking bin with hinged lid and 2 snap-slide locks

Description

Black plastic lidded container in Euro norm size 600 x 400 mm. The container consists of a stacking bin, hinged lid, and two snap-slide closures. The lidded container is entirely closed, including the handles. The bottom features reinforced rib construction, making it highly suitable for heavy-duty applications. Due to its Euro norm size, this lidded container perfectly integrates with all other Euro containers, standardized pallets, mobile bases, and rolling containers. Additionally, it can be stacked with the lid. The snap-slide closures ensure a secure seal for the lidded container while allowing easy reopening. The lockable lid prevents loss, damage, or contamination of the cargo during transportation.
