## Properties

With a smooth bottom and closed handles.

Lid containers can also be stacked with their respective lids.

Lid containers feature a detachable hinged lid.

The lid container comes with two snap-slide closures in the lid.

## Description

Stacking container with hinged lid in Euro norm format 600 x 400 mm. The hinged lid is equipped with two snap-slide closures. The container is fully enclosed, including the handles. This design allows for maximum utilization of the container's capacity. The lid container is made of food-grade plastic. Thanks to its practical Euro norm dimensions, this lid container fits perfectly on other Euro containers, as well as on standardized pallets, rolling containers, and mobile bases.
