Capacity	14.1 liter
Color	Grey
Material	PP
Bottom	Closed, smooth
Sidewalls	Closed
Handles	Closed
European Article Number	7424900252230
Colorcode	RAL 7040
Load capacity (kg)	20 kg
Max. stacking load (kg)	200 kg
Internal dimensions (L x W x H)	566 x 366 x 72 mm

Properties

With a smooth bottom and closed handles.

Lid containers can also be stacked with their respective lids.

Lid containers feature a detachable hinged lid.

The lid container comes with two snap-slide closures in the lid.

Description

This lid container has the practical Euro norm dimensions of 600 x 400 mm. Consequently, it is stackable with all other Euro norm lid containers and stacking containers. Additionally, it perfectly fits without space wastage on a standardized pallet, rolling container, or mobile base. The lid container is composed of a fully enclosed stacking container with a hinged lid and two snap-slide closures. These closures ensure secure sealing and easy opening of the lid container. The lockable lid prevents the cargo from getting lost, damaged, or contaminated during transport.
